MEMORANDUM

To: Utah State Building Board
From: David G. Buxton 
Date: April 8, 2009
Subject: **Reallocation of FY2009 Capital Improvement Funds for the Department of Environmental Quality**

Recommendation

DFCM recommends that the Building Board review the request to reallocate FY 2009 Capital Improvement funds to the FY 2010 DEQ Shell Space Build Out.

Background

The Building Board approved the repairs to the Governors Carriage House in FY 2009 which was subsequently put on hold during the 2008 Special Legislative Session. After further inspection it has been determined that with a few minor repairs, this project can be delayed for one to two years. These funds would be used to finish the DEQ Build Out at the Multi-Agency Office Building.
